CAREER OBJECTIVES

- An aspiring individual aiming to kickstart my career in an entry-level position where I can apply my problem-solving acumen, web development prowess and strong teamwork and communication skills. Eager to delve into full stack development and software development and contribute my soft skills and learnings more within these exciting domains.

EDUCATION

Degree	Institute	Board / University	CGPA/Percentage	Year of passing
B. Tech	National Institute of Technology, Mizoram	NIT Mizoram	9.07% (till 7th Sem)	2024
XII	Kendriya Vidyalaya, Mizoram University	CBSE	89.8%	2020
X	Kendriya Vidyalaya, Mizoram University	CBSE	93.6%	2018

INTERNSHIP

- **Bharat Intern**   *August,2023 - September,2023*
  Web Development Intern   Virtual
  - This was a virtual internship in which I had used my web development skills to create projects which were given as tasks. The projects included a portfolio website for myself, a temperature converter and clones of some popular webpages.
  - The technologies used in the internship are: HTML, CSS, JavaScript and Bootstrap

PROJECTS

- **CS-Mitra**   *May,2023 – June,2023*
  Personal Project
  - This is a website that is made for the benefit of CSE students of NIT Mizoram. It offers a variety of useful resources for their academics. The resources include previous year question papers, YouTube channel links for all the subjects of different semesters and also trending technologies. Students can also post their queries, suggestions or comments. It also contains a dedicated page for placed seniors containing their contact details.
  - Technologies used are: Html, CSS, Bootstrap, React.js, MongoDB, Node.js

- **CINEBUZZ**   *June,2023 – August,2023*
  Personal Project
  - This is a CRUD application which is made for giving reviews to movies. A user can write a review, edit a review, read existing reviews and also delete a particular review. The application has a small number of movies of three languages- Hindi, English and Telugu. All information about a particular movie is also provided.
  - Technologies used are: Html, CSS, Bootstrap, React.js, MongoDB, Node.js

- **PORTFOLIO**   *April,2023 – May,2023*
  Personal Project
  - This is a portfolio website that describes about me, my education, my skills and my contact details.
  - Technologies used are: Html, CSS, Bootstrap, React.js,

TECHNICAL SKILLS
